## Objective

Motivated MCA student with strong foundational skills in Core Java, object-oriented programming, and backend development. Hands-on experience in building RESTful APIs, working with databases like MongoDB and MySQL, and collaborating in agile environments. Seeking an opportunity to enhance backend development skills using Java, Spring Boot, and microservices architecture.

## Experience

### Software Intern

Rusé, Bangalore, India

11/2024 – 12/2024

- Developed backend APIs and services using Python and MongoDB, following REST principles.
- Implemented authentication and authorization using JWT.
- Gained exposure to microservices architecture and its implementation in scalable systems
- Collaborated with frontend developers to integrate user-facing elements through API endpoints.
- Participated in code reviews, debugging, and API testing using Postman and unit tests.
- Participated in agile sprint planning and daily standups.

## Education

### Master of Computer Application.

BMS Institute of technology & Management, Bengaluru - **8.1 CGPA**

Pursuing

### Bachelor of Science in Computer Science.

GFGC Doddaballapur - **8.39 CGPA**

2020 - 2023

### Pre University [12<sup>th</sup>].

Vidyanidhi Independent Pre-University College, Doddaballapur. - **88.66%**.

2018 – 2020

### SSLC [10<sup>th</sup>]

Sri Sharada Girls High School Doddaballapur. - **86.88%**

2017 - 2018

## Skills

- **Programming Languages:** Python, Java
- **Frameworks:** Spring Boot, Flask
- **Web:** React.js, HTML, CSS
- **Databases:** MongoDB, MySQL
- **Tools:** Git, Postman, VS Code
- **Concepts:** REST APIs, JWT Auth

## Academic Projects

### NutriGO | React.js, Node.js, Express.js, MongoDB

- Built a web app offering personalized meal plans based on health conditions.
- Integrated dynamic recipe suggestions and disease-based nutrition models.

### E-Cart | Python, Flask, JavaScript, MongoDB.

April -2023

- Created a product tracking platform using web scraping (BeautifulSoup).
- Developed a Chrome extension to add product to cart easily.
